\* Phase 2: Vision is part of the Certified Professional Coach Program (CPCP) accredited by the International Coach Federation (ICF) for Elite Coaching Center (ECC) with 76 approved coach specific training hours (ACSTH). It can be taken standalone for purposes of self-development and/or getting trained in the coaching profession by students that have gone through the first phase of the full program (Phase 1: Foundation). It can also be taken as refreshment by certified coaches to maintain their ICF credentials with 15 Continuing Coach Education (CCE) credits. The workshop blends theory and hands on experience.
